General Report Comments: I saw 1x brown female terrier x with 4 x puppies on the property. The dogs looked underweight. I asked the owner Patricia if she has food for the dogs and she told me that she is giving them maize meal but has ran out. I then asked Patricia when will she be able to buy food for the dogs again and she told me that she will buy them food at the end of the month again. I asked Patricia if she does not want to surrender the dogs and she agreed. Mother and puppies surrendered to Spca. Refer to admission D3590-D3594. Nfa until further notice.
