General Report Comments: The owner of the horses was not there. The caretaker said he is only working there for 2 months and that the horses was more underweight when he started to work there. He claimed that the previous caretaker did not feed the horses. He showed me oathay bales and maintenance meal. There are about 18 horses and about 10 is underweight. Water and shelter available for the horses. I left a warning for the owner to get vet treatment for the horses to find out what the problem is. Will Re-check
