General Report Comments: There is one small breed dog at the back of the house. The neighbor opposite the road said he is feeding the dog the owner went away for the weekend. The dog is in a fair condition shelter available for the dog. He is roaming free. I left a warning for the owner to contact me. Bruce the owner phoned me later that day. He said he works during the day then the dog is outside but at night the dog sleeps inside. I told him to make it comfortable for the dog when he is outside and put a blanket inside the kennel. Nfa
