CONFINEMENT OF ANIMALS	On running chain Dog jumps over the wall

General Report Comments: There are 2 dogs on the property. Both dog's are in a fair condition water and shelter available for the dog's. The one male pitbull is on a runner because he jumps the wall said Mr Pieterse. The Border collie is roaming free. I spoke to the complainant and said there is nothing we can do if she is helping to feed the dog's. She must stop buying dog food if she wants us to do something. She said she is going to ask the owners to surrender the pitbull. Will Re-check again
