General Report Comments: Tanya let me on the property where I observed 1x black terrier x female with a prolapse. Tanya says that she phoned the vet and they told her that it would cost her R2000 for the operation, money that she does not have. I told Tanya to surrender the dog as she is suffering and leaving the dog like this would only prolong her suffering. Tanya decided to surrender the dog. I issued a warning to take any animal in the future to the vet as soon as possible. No other animals on the property. Nfa until further notice.
