General Report Comments: I saw 1x black and white terrier x female that is on heat. The dog is in acceptable condition. Mrs Rhodes told me that she is going to talk to her husband about giving the dog to the Spca because she can't handle the dogs that comes after the female and then the dogs begins to fight. Mrs Rhodes also told me that they don't have money to sterilize the female dog,her husband is coming home on Sunday then she will talk to him and give me a call to come and fetch the dog. Will follow up.
