General Report Comments: I saw 1x Brindle pitbull x on the property. The dog is underweight and is showing signs of tick bite fever. The owner told me that he does not have money to take the dog to the vet and will surrender the dog. The pitbull x male was surrendered. Refer to admission D3838. Educated the owner on how to prevent tick infestation. I issued the owner with a warning for letting the dog become so infested with ticks. No ther animals on the property. Nfa until further notice.
