General Report Comments: Mr Sampson said that it's his girlfriends dog's. He said that the 2 female dogs had puppies and there is 8 puppies left. Theo said that the one female dog keeps jumping the fence then she roams in the street. The dog's are all in a fair condition. Only the fox terrier female that is a bit underweight. I educated the owner on sterilization. I also told him that if they want to surrender the dog's they can sign them over to the SPCA. Will ask the complainant to phone law enforcement because it's a bylaw issue for the amount of dog's and for the dog's that are roaming in the street. Will Re-check again
