General Report Comments: Re-check the Jennifer was not at home. Her son said his mother did not get paid yet so she did not buy dog food or treatment for the dog's skin problem. I told him to take the dog's to the mobile clinic where the can be dipped and dewormed for free. He said he can't I told him it's not far from where they live. He said he can't. I left a warning for the owner to provide proper dog food for the dog's. They need to provide proper shelter for the dog's because the garage was not open today for them. She needs to get treatment for the dog's skin problem. Or she can sign the dog's over to the SPCA. Will Re-check in 5 days
