General Report Comments: I arrived at the farm and went to the house of Roseline Isaacs. ON arrival I saw 1 black and tan terrier x female dog on a plus minus 5 meters chain with a collar. She had two puppies. The 1 was oin very bad shape and not responding and the other 1 was sitting with the mother, but also did not look well. The foreman Pieter Cloete decided to sign the dogs over. The complainant Liesl Kruger advised me that she will try and assist to sterilise the remaining 2 dogs on the farm.
