General Report Comments: There are 2 small breed dog's on the property. The dog's are both in a good condition water and shelter available for the dog's. They are roaming free in the yard. The owner said the dog's did fight yesterday he thinks it's because the one was on heat. I educated about sterilized. I asked him if he leaves his house for more than a few days. He said yes but then his friend around the corner comes to take care of his dogs. No concerns. Will Re-check again
