General Report Comments: The neighbors informed the Spca that they are still feeding the dog and that there is still nobody living at the address. The dog is in a fair condition. The yard is full of dog feces and the grass is long. I asked the neighbors to stop feeding the dog. I will monitor and leave warnings if the owner does not comply I will try to get a warrant to remove the dog. I left a warning for the owner to provide proper dog food water and shelter and to clean the yard. The owner also needs to contact me.
