General Report Comments: Re-check I asked Ally from the CVC vet if mr Vaughn was there with his dogs she said no. I went to his house his son went in to call his father. When he came out he said his mother and father was acting like they were sleeping. The dog's were still full of ticks and fleas and the male dog was just lying there with the bad skin problem. I left another warning for the owner to take the dog's to a vet within 12 hour's. Will Re-check
