General Report Comments: Law Enforcement officer Cloete asked me if I could assist them with a case where a dog did bite another dog to death. I did go with them to the address. We were met by the owners of the dog. The dog is in a good condition water and shelter available for the dog. The area where the dog is kept is clean and enough space. There is no welfare concerns regarding the dog. The owner said he did adopt the dog from Saldanha animal care. They said they don't think that the dog is sterilized. I educated on sterilization.
