General Report Comments: Re-check there was nobody at home. The owner did not adhere to the warning. The dog did throw over his water bowl so he did not have water. Both dog's are in a fair condition. The one dog is roaming free and the other dog is on a very short and thick chair. I left another warning for the owner to put the dog on a runner and to clean the living area of the dog. The owner contacted me later that day I explained what he needs to do will recheck again.
