General Report Comments: There was no people at the 3x houses on the farm. Some kids came from the other side and told me that the owners of the dogs are working. I saw 8x dogs loose on the property. The dogs are all in acceptable conditions. Water and shelter is available. I called Mr Lochner and asked him where the thin dogs is he is talking about because the dogs that I have just seen are all in acceptable conditions. Mr Lochner then asked me if there is nothing we can do about the dogs always being in the street, and I told him that he must talk to Law enforcement about it. No welfare concerns was noted. Nfa until further notice.
