General Report Comments: I saw 1x tan and white terrier x limping in the street and followed him to where he went into a yard. I got out and a woman who introduced herself as Charlotte came towards me. I asked Charlotte if the dog belongs to her and she said yes. I asked her what's wrong with the dogs paw and she told me that one of the dogs in street attacked the dog. I issued Charlotte with a warning to get the dog to the vet but she decided to surrender the dog as they don't have money for a vet. Refer to admission D3875. No other animals on the property. Nfa until further notice.
