General Report Comments: I did a door to door at the hopefield recreation center and rehabilitation center. Robert welcomed me in the center and take me to see the animals the have there they are breeding with pigs and I saw how they treat them I asked if how do they control ticks and fleas they showed me the dip they are using and I how they control injuries on pigs they also showed me the spray they are using. They also do chickens but they didn't have at the moment. And also advise them if they want to put a pig to sleep that they must call us so we can stun it for them and they said they will do so. Water and shelter was observed and the body condition of the animals are acceptable NFA .
