General Report Comments: Andre Damon who claims that he is now the new owner of the pitbull female who had mange let me on the property to see the dog in question. At the back of the property I saw Teva a brown and white pitbull female loose in the yard. Andre showed me some pics of how Teva looked compared how she is looking now. Teva is looking good and her body condition is also acceptable . Water,food and shelter is available. I issued a warning because Teva's living area was dirty. Will do a recheck.
