General Report Comments: I saw the dog running in the street and one neighbor showed me the house where the dog belongs. There was a lady who loaded the dog into the SPCA bakkie then a guy came towards the bakkie and asked me to give the dog back. He was very rude and he refused to give me his details as I wanted to issue him a Notice to comply. I had to ask for help from SAPS and Rachel then told me that she is the owner of the dog. I issued a 24hour Notice to comply advising Rachel to seek vet treatment. Water and shelter observed. The living environment is clean.
