CHECKLISTS

General Report Comments: Re-check there was nobody at home. I could not enter the property. I phoned the owner she said that her son came to fetch the bird. She is in Johannesburg and the man living on the property is looking after the dog's and the tortoise. She said that she has had the tortiose for more than 20 years. I informed her that she needs to have a permit for the tortiose. Wil recheck again.
