General Report Comments: Wendy the owner let me on the property
The dog Bruno was walking freely inside the property. They thought that the dogs leg was broken but it's not. Bruno got out of the property and got into a fight with a dog in the street and the dog got hold of its paw and that's why Bruno was limping. Didie who also lives in Chatsworth and who is also helping the animals in Chatsworth helped Wendy treating the wound. Bruno is putting weight on the injured paw and there is no indication that the leg is broken. Water, food and shelter is available. Will recheck.
