General Report Comments: Mr Mostert let me on the property to check if his horse have food and shelter. I observed feed and shelter for the horse. Regards to the horse that died Mr Mostert is was of old age and not starvation. Mr Mostert also added that his ex wife is out to destroy him after the divorce now she is using his animals to get to him. I could find nothing wrong with the horse and did not observe any welfare issues. Nfa until further notice.
