General Report Comments: I only saw 1x tan terrier x male loose on the property. I asked Vanessa about the dog that was being chained because I did not see a dog on a chain. Vanessa told me that the dog died yesterday. According ti Vanessa the neighbors dog attacked their dog and after they broke up the fight the dog mysteriously died, I don't know how much truth is in that story but the dog in question is no longer on the property. The tan dog called Lucen is in acceptable condition. Water,food and shelter is available. Nfa until further notice.
