General Report Comments: I saw this girl walking with a kitten,when I stopped next to her I could see that the kitten does not look good and I asked her what's wrong with the kitten and she said I must ask her mother Jenifer. I went to their house where I have spoken to Jenifer about the kitten and the condition the kitten is in. Jenifer told me that the kitten has been sick for a few days and does not want to eat. I asked Jenifer if she has money for a vet and she said no. I asked Jenifer to surrender the kitten as it is suffering. The kitten was surrendered. Refer to admission D4601. No other animals on the property. Nfa until further notice.
