General Report Comments: Re-check the owner was not at home her son Benjamin was there. The owner did not adhere to the warning. The dog's were tied on shorter chains without any water or shelter. The one dog was injured. I told the son to immediately untie the dog's. I left another warning for the owner to provide proper dog food. There must be water at all times. The dogs must be put on a runner and provided with shelter. The injured dog must be taken to a vet. Will Re-check
