General Report Comments: I saw 1x white and brown pitbull male and 1x brown pitbull female on the property. The male pitbull looks like he has cancer on his private parts. Justine the girlfriend of the owner the dogs told me that the CVC vet was in Riebeeck Kasteel on Monday and the vet there said that the male dog called Cooper has TVT. Justine said that she can't make a decision to surrender the dog because the dog does not belong to her. I issued a warning to get the dog to the vet. Will follow up.
