CHECKLISTS

General Report Comments: I went to remove the dog and when I arrived the German Shepherd female dog was already deceased. I went to the door and told the daughter Mbelu that the dog has died and I gave her a copy of the Warrant and the Seizure notice. I told her that I am removing the carcass and will have an autopsy done. I told her that we will be laying charges of animal cruelty against her mother. I then left the property. I took the dog to the vet. OB number 595/09/2023
