General Report Comments: Andrea the owner let me on the property where I saw 6x terrier x dogs in acceptable conditions. Water, food and shelter is available. Andrea and her other two sisters is working with Richelle from Dead Animals Walking and she provides them with dog food and tick and flea treatment for the dogs. All the dogs have been sterilized as well. No welfare concerns noted. There is nothing I can do about the amount of dogs on the property because we can't enforce the by-laws. Will contact the complainant and yell her to give law enforcement a call regarding the amount of dogs on this property. Nfa until further notice.
