General Report Comments: There was nobody at home. There is one dog on the property that is in a very bad condition. She is emaciated and has open wounds on her legs. I gave her some food and she ate it. There is shelter I could not see if there was water. The neighbor's said that the people don't live there they don't come there everyday. I left a warning for the owner to contact me and to take the dog to a vet within 24 hours. To provide the dog with proper dog food. I left the warning on the gate.
