General Report Comments: I went to do a recheck at 1496 Mountain view road, Chatsworth to check on the the brindle terrier x dog but the dog was no longer on the property. Lucricia the owner told me that Rashieda and her husband took the dog after Bianca has given them the warning. Lucricia told me where Rashieda is staying. I went to 444 Victoria street also in Chatsworth and found the brindle terrier x still on a short chain without adequate shelter. The dog has water available. I asked Rashieda if the dog has adequate food available and she said yes but could not show me the food. My warning was clearly not adhered to. I'm going to do an affidavit to get a warrant to remove the dog. Will follow up.
