| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** Property is not fully enclosed |                   |

General Report Comments: Sharon let me on the property where I observed the white and brown terrier x female on a short chain with a collar. I asked Sharon why the dog is on a short chain again and she told me that the dog keeps escaping when they let her loose. The brown female dog is on a running chain with a collar. Water, food and shelter is available. I persuaded Sharon to surrender the small breed dog Lola because she is too small to be on a chain. Sharon decided to surrender the dog. Refer to admission D4638. NFA until further notice.
