General Report Comments: I saw 1x brown and white pitbull male at the gate barking. Upon lower inspection I saw that the dog has a huge growth on its private parts. I called and Lionel came out. Lionel told me that the dog belongs to his son and that he is not at home now. I told Lionel that the dog needs get to a vet as soon as possible. I explained to Lionel what my next steps was going to be and Lionel told me that he will sign over the pitbull called Tobie because his son does not have money for a vet . Tobin was surrendered to the Spca. Refer to D4643. Nfa until further notice.
