General Report Comments: Truly let on the property where I observed 1x staffing x and 7x puppies that's about 3 weeks old. I told Trudy that I am here because the Spca received a complainant of a dog with a injury to its ear . Trudy took me to the back to meet Lulu and her 7x puppies. Trudy says that the wound is an old wound and has healed completely. A few weeks ago they tried to break into the Redbox and the dog was attacked with a knife. Lulu was taken to the vet and the wound has been treated. No welfare concerns was observed. Nfa until further notice.
