General Report Comments: I saw 1x black and tan German shepherd x puppy with a bad injury that needs vet treatment immediately. I left a 24 hour warning to get the puppy to the vet. While at the office,Eva send a message to Louise saying that the owner decided to surrender the puppy as he does not have money for a vet. I went back to the address and told the owner of the puppies girlfriend Shaïen that Junaid decided to surrender the puppy. Shaïen did not want to sign the admission forms so I took the puppy and brought him to the Spca I. The puppy was humanely euthanized to prevent further suffering. Refer to admission D4646. Nfa until further notice.
