General Report Comments: Estelle let me on the property where I observed 2x dogs in the yard and 3x dogs inside the house. I told Estelle that the Spca received a complaint to check on the welfare of the animals on her property because according to the complainant there is nobody at the house. Estelle told me that she is living with her son who also stays in Moorreesburg, but she comes to feed her dogs every morning and evening. All the dogs are in acceptable conditions. Estelle decided to surrender the old daschund that is 15 years old and the aggressive terrier x female because her son can't get in the house because Grysie is too aggressive. No welfare concerns were noted. Refer to admissions D4648, D4649. NFA until further notice.
