General Report Comments: The tan pitbull dog was still on the property and could not get up to walk. The wound is still open. The owner Shane Jeffreys said that he is still waiting on the vet report. I told him that it is his responsibility to get the report to us. He said that he sent details to Stephanie of the vet etc. The vet that he used is dr Van Zyl in Panorama Animal Hospital. I contacted them on 0219306632 and they said the owner was last there on 25 October 2023 and said I must send a request to the Specialist dr van Zyl to enquire. I sent an email and await their response. Refer to email attached. I issued another warning to provide the animal with vet care and provide us with a vet report but will now wait see tomorrow 20 Dec 23 if the vet has replied and take it from there.
