General Report Comments: The Village vet in Darling contacted the Spca regarding a dog with a prolapse that was there on the 13/10/2023 and was supposed to come back to the vet for the dog to be sterilized and they didn't. I went to the address and spoke to the owner Else Cleophas regarding the welfare of the dog and that the dog needs veterinary treatment. Else told me that they don't have money to sterilize the dog and decided to surrender the dog. Refer to admission D4657. Nfa until further notice.
