CHECKLISTS

General Report Comments: Mgdaleen was at home on my arrival,I asked Magdaleen how Paco is doing and if Basie has taken him to the vet. Magdaleen told me that Basie called to say that he must go to a funeral and won't be able to take Paco. I asked Magdaleen to see Paco and she told me that her son came to fetch Paco because the dog belongs to him. Magdaleen said that I can come look inside the house and around the house if I think she is lying. I went with Magdaleen inside her house and looked around the house but there was no sign of Paco. Magdaleen also said that Paco is doing much better and that he is not limping anymore. I told Magdaleen that I will have to see for myself if the dog is better and asked her where her son took Paco and Magdaleen told me me that he did not tell her where he was taking Paco. Will follow up.
