General Report Comments: I received a call regarding a stray cat that was not looking good. I went to fetch the cat. I did speak to my manager because I did see something on Facebook regarding a cat in Yzerfontein . We manage to get hold of the owner. She claims that the cat is very old that's why she is looking like that. I gave her a warning to take the cat to the vet within 48 hours. Inspector October will recheck.
