General Report Comments: I observed about 23 cats and the complainant informed me that there is over 30 cats and some might be in the bushes. Almost all the black and white cats and the tabby cat are thin and most of the cats have eyes infection. I issued a Notice to comply advising Mr Bester to improve the body condition of almost all the cats and to buy some food for the cats. I asked Mr Bester to show me the cat food and he informed me that it's finished and I asked him what type of food he was feeding the cats and he brought an empty bag of Hills puppy food. He showed me some antibiotic but in the Notice to comply I also advised him to seek vet treatment. I gave him till Monday to seek vet treatment.
