General Report Comments: There are 2 dogs on the property. Both dog's are in a fair condition roaming free in the yard. The female dog had a brick tied to her neck. The owner said law enforcement was there because there dog keeps on jumping the fence. That is why they tied a brick around the dog's neck so she does not jump. I told her it's not allowed to do that. She then immediately removed the brick. I gave her a warning that they can't tie a brick around the dog's neck. Will Re-check
