General Report Comments: Peter who rents on the property gave me access to the property. Peter told me that Marvin who is the owner of the dog is working and will only be home after 6pm. I asked Peter if he has any idea if Marvin has received the warning that I have left the week before, Peter told me he don't know if Marvin has received the warning. I also asked Peter if he knows if the owner has food for the dog and he said that he has seen the owner feeding the dog on several occasions. I asked Peter for phone number of the owner so that I could speak to him and he gave me Marvin's number. The female has 6x puppies that is about 3 weeks old, so they are still feeding from the mother. The female still needs to put on some more weight. Water and shelter was observed. Will do a recheck.
