General Report Comments: I went to this property accompanied by Field officer Jeffrey Mathabela . We first went to the complainants house across the street. The complainant informed me that he saw the dog on the CCTV pulling a brick(block) that was tied to the dog with a rope and the Glenn's mother Miss Glenda Muller. Miss Muller informed me that her son didn't know that it was illegal to attach anything to a dog in the name of training as she informed me that he only did it once and stopped after being told that it's illegal. The dog's body condition is fair and acceptable. I observed water, food and shelter. The dog is not aggressive at all and I asked Nadia if they are willing to sterilize the dog of which she agreed and informed me that she can only be able to pay the steri fee on the 27th of November 2023. Nadia informed me that the complainant tells the kids to play in front of the gate and tease the dog so that the dog can bark non stop and then the complainant report to the Law Enforcement. The owner of the dog informed me that she contacted her lawyer and she is going to open a case as she feels she is being harassed because of her skin color. I issued a Notice to comply advising Mr Glenn Ntuli not to use any equipment or appliance on any animal
