General Report Comments: I arrived at the property and observed 2 dogs with a bad skin condition. There are 4 dogs on the property. 1 GReat dane is also underweight. 1 Pitbul that is in a fair condition. Another male pitbul was not in a good condition had a skin problem. There was also a male terrier mix dog that had a bad skin condition. Dassenberg animal care was there and told me that he always looks at the condition of the animals and that he will get deworming and bravecto for the dogs. I issued a warning that the pitbul must be taken to a vet within 48 hours. Also that all the animals must be provided with adequate food at all times. The owner decided to sign over the terrier mix dog to the SPCA.
