General Report Comments: Jakob the owner told me that he is still waiting for someone to bring him some pellet wood so that he can make a kennel for the dog. Jakob went to show me where Tiger is lying in the shade at the back of the flat. I saw Tiger lying in the shade. Body condition is acceptable, water is available and the dogs living area is also clean. Will try to find a kennel for Tiger because the owner seems to take good care of him. Will follow up.
