General Report Comments: There was nobody on the farm. I did see one dog that ears was cut but it is healed. The donkey has old wounds or it can be a skin problem. There are 3 calf that are underweight one is in a very small enclosure he can only ly and stand up. There are alot of old feces lying where the calf is enclosed. They did not have any water or adequate food. I gave them some water and they were very thirsty. Inspector October will recheck
