General Report Comments: I arrived at the property and Arno Mostert gave me access to do an inspection. I observed a brown mix breed dog very old (Mina) and active with a skin problem. Mr Mostert told me that the dog is very old and he washes her every week with a special shampoo that he showed to me for skin problems. The smaller dog of 11 years Biscuit is in an acceptable condition. I educated Mr Mostert and gave him a warning to provide the animal with vet treatment (or tablets) within 7 days.
