General Report Comments: There are 3 dogs on the property they are all in a fair condition water and shelter available for the dog's. Petsie is very old and walking a bit slow but she is not suffering. The to dogs have been sterilized by Langebaan animal care and they provide tick and flea treatment. Wil monitor the conditions. I asked the owner when she walks to the shop if she can't leave Petsie at home. She said her yard is enclosed and Petsie jumps the fence. And she does not want to chain the dog's.
