Water,food and shelter is available. There is feaces lying all over the property and I asked Mrs Calitz when last have they picked up the dog feaces because I can see that it has been lying there for quite some time. Mrs. Calitz said that she will ask her husband to pick up the dog feaces tonight,she also admitted that the collie x male Duke keeps on escaping and that they are in the process of extending the fence with pellets so that Duke can't get out. I issued a warning to clean the living area of the 2x dogs. Will follow up.
